Ozawa Appointed Conductor Of Toronto Symphony Orch.

By John Kraglund

Seiji Ozawa

TORONTO. — Seiji Ozawa, the Japanese conductor who won the enthusiastic acclaim of critics and public alike in guest appearances with the Toronto Symphony Orchestra this season, has been appointed permanent conductor of the TSO. The 28-year-old musician, replacing Walter Susskind, whose retirement at the end of the 1964-65 season was announced last week, will take over the post at the beginning of the 1965-66 season. Mr. Ozawa's appointment was announced this week by R. W. Finlayson, president of the TSO Association, at a press luncheon that became an open discussion of general orchestral problems. Asked why a decision had been made now rather than taking advantage of an opportunity to present one or more seasons of guest conductors, Mr. Finlayson, backed by managing director Walter Homburger, said that it was virtually impossible to organize a complete season on this basis because of the dearth of available conductors. Mr. Ozawa, whose appointment is for a three-year period ending in April, 1968, is a graduate of Tokyo's Toho School of Music. In 1959, after winning various awards in Japan, he won first prize at the International Conductor's Competition at Besancon, France. And the following year he won the Koussevitzky Memorial Scholarship at the Berkshire Music Centre. Appointed an assistant conductor of the New York Philharmonic in 1960, he conducted the orchestra on part of its tour of the United States and Japan. During the 1964-65 season, Leonard Bernstein's sabbatical, Ozawa will be the Philharmonic's only assistant conductor and will conduct one week of subscription concerts.

Mr. Ozawa, a student of Herbert von Karajan during his year in Europe, has made numerous guest appearances with major U.S. and European orchestras and will guest conduct the Japan Philharmonic on part of its 1964-65 U.S. tour.

It was the enthusiasm of the audience after his concerts in the TSO's subscription series that prompted the TSO Association to bring him back later in the season for one of the few successful, special concerts—successful in box-office terms—later in the season. On that occasion his wife, pianist Kyoko

Hakujin Outnumber Japanese In Hawaii

HONOLULU. — Caucasians have overtaken the Japanese as the predominant race in Hawaii for the first time in the history of the islands.

A report by the State Department of Planning and Economic Development recently added that Hawaii's population has soared 11.7 per cent since 1960.

The population now is 714,092 including 125,602 military personnel and dependents.

Caucasians comprise 36.5 per cent of the resident population. Japanese 29.1 percent.

Sailor Horie's Trouble: Sea Sickness!

HONOLULU. — Whether sailing on a 19-foot sloop or on a 609-foot luxury liner, diminutive Kenichi Horie of Japan has the same problem.

He gets sea sick.

The 5 ft, 1 in, Horie, of Osaka, who made navigation history two years ago when he sailed his sloop from his hometown to San Francisco, arrived in Honolulu recently aboard the S.S. President Wilson.

Horie said he spent many seasick days while sailing alone on his now famous, 93-day crossing, and had hoped that traveling on a much larger ship would be different.

And it was, he said, until the last night out of Honolulu. Then he got seasick.

But a trip on a luxury liner is better gally-wise than on a 19-footer, he said.

The bright-eyed, 25-year old son of an auto parts dealer and three traveling companions are en route to San Francisco to start a 50-day tour of the United States on a Japanese-made car to publicize a film based on his epic trip, "My Enemy, the Sea."

Special Chopsticks For "Cheaters"

TOKYO. — Slippery sukiyaki and elusive strands of noodle need no longer frustrate chopsticks-wielding visitors to Japan. A reassuring bulletin, issued by the Japan National Tourist Organization, reveals that a new type of chopsticks—especially devised for overseas visitors—has just gone on sale at the Seibu department store in Tokyo. In this new version, the twin sticks are connected near their base by a small metal spring.

While considered not quite cricket by purists, they are far easier to manipulate than the traditional hashi. They sell from 33c to 42c a pair and come in several colors including ivory, red and black.

5 Priceless Historical Swords Missing Seeks United States Collectors Help

SHINGU, Japan. — A Shinto shrine here is seeking co-operation from American sword collectors in its desperate effort to recover five ancient swords of priceless historical value which were taken away by a group of U.S. occupation force soldiers 18 years ago.

All five swords belonged to the Hayatama Taisha Shrine in Shingu in mid-western Japan, and one of them, called "Tori-kubi no Tachi," had been designated a national treasure, dating back to the 15th century.

According to shrine officials, a written petition was presented last December through the good offices of former Ambassador to Washington Sadao Iguchi to the Foreign Office, calling for its assistance in tracing the missing swords.

The shrine records showed that a group of five U.S. Army officers and men visited the shrine on Jan. 17, 1946, and carried away the five swords.

They left a receipt bearing a signature of "Capt. Ward H. Maris, 390th Regiment, 98th Division, U.S. Army."

Subsequent investigations by the shrine, however, showed that there was no such division in the U.S. Army, but an officer by the name of Capt. Ward H. Harris did exist but was killed in a fire within a U.S. Army camp in Yokohama.

Since then, the shrine has been contacting American Ambassador Edwin O. Reischauer and influential Japanese leaders in political as well as business circles for help in recovering the swords which are presumably located somewhere in the United States.

The shrine officials said that Ambassador Reischauer had promised he will ask the U.S. government to search for the missing swords when he goes back to Washington on his next visit.

J. C. Hockey Tour Of Japan Still Has Many Openings

TORONTO. — The proposed tour of Japan by the Toronto Japanese Hockey League All-stars, under the sponsorship of the Canadian Japanese Athletic Association, is still slated for this fall regardless of rumors to the contrary, a league spokesman said this week.

"Some members of the Japanese community are under the impression that the tour has been cancelled," he said. "Where this untrue rumor began, we don't know, but it is definitely not correct."

The All-Star team from the all-Japanese league, that operates each Sunday during the winter at George Bell Arena, has been invited to play a series of six exhibition games in Japan this fall. The games are slated for Tokyo (2), Kyoto (2), Nikko and Sapporo.

Fans and friends wishing to accompany the team to Japan can do so at a fantastically low fare. There are still plenty of seats available. The flight leaves Toronto on October 31, 1964 and returns on November 21, 1964. Horse Loses Race But Saves Face

TOKYO. — A four-year-old Japanese race horse may not have won his race at the Tokyo race track recently, but he clearly outdistanced all pursuers when he galloped off the track and on to a nearby highway.

When the horse, Sapporo Homare, threw his rider and headed out the north gate, eight grooms gave chase in taxies. They were joined by several patrol cars from a nearby police station. They lost the horse in heavy traffic.

Sapporo Homare was found later calmly munching grass in front of a farm house off the highway.

Track officials said he had been frightened by the crowd at the race track.

By HENRY MORITSUGU

MONTREAL. — Quebec has a potent three-man team geared for the fourth annual Canadian Judo Championships in Vancouver, May 9.

Phil Wronski, second dan, of St. Jerome, and Raymond Damblant, third dan, made the Quebec Judo Black Belt Association's team on the basis of their victories in the heavy and lightweight classes in the recent provincial eliminations at Seido-Kwan Academy. Don Niiya, second dan, will be the third to make the trip.

The 225-pound Wronski was declared over-all champ of the weekend meet after he tumbled Damblant, a 165-pounder, with right osoto-gari (major outer leg reap) in the only clean throw of the afternoon. There was some impressive groundwork, mainly from the dexterous Damblant, but good "stand-up judo" was at a minimum.

正之助は正藏の足音を聞いていて、怒っているのかそれとも示威運動かと思った。しかし正之助にはそのことは少しも腹が立たず、反ってその位の元氣があるのを喜んでいる。

正藏は父の室に入ると立ったまま言った。

『何の御用ですか』

『用じゃないが、一寸話したいことがあるのだ』

『僕はすぐ又出かけなければならないのですから、早く願います』

『何處へ行くのだ』

『行きたいところにいきます』

『一人でか』

『知りません』

『知らないのか』正之助の言葉にいくらか皮肉があった。

『言いたくないのです。僕は言いたくないことは言いません』

『言いたくないことを聞こうとは言わないが、まあ腰かけたらいいだろう。それとも、もうすぐ出かけなければならないのか』

『すぐでなくともいいのです。三十分程したら出かけたいと思います。しかし

です』

『俺の話も、そう急ぐ話じゃないのだ。ただ一寸話しておきたい氣がしたので』

『話して戴きましょう』

『まあ腰をかけないか』

正藏も父の顔を見ると、そういつまでも腹を立てていられなかった。しかし武裝をまだ全部は解かずに、いく分怒ったふりして椅子に腰をおろした。

『俺はお前を信用している。俺よりもお前の方が有望で、賢いことも知っている。お世辭じゃない。親馬鹿かも知れないが、お前は信用していい子だ。俺はそれをいつも自慢にしているし、喜んでいる。俺はお前を信用しないで言うのではない。又お前に今注意しなければならないことがあると思っているわけでもないのだ。ただ親馬鹿から、參考にまで言っておきたいのだ』

『なんでもおっしゃって下さい』

『お前ももう立派な若者だ。お前はまだ結婚する氣はないかも知れないが、自然はお前を結婚させるように骨を折っている。だから結婚に就て俺の考を參考に

『結婚と人殺しとはどういう關係があるのだ』

『つまり自分の一生のことは自分の責任できめたいのです。お父さんたちの責任を僕は背負いたくないのです』

『それはわかっている。俺は何もお前の嫌いなものをもらえとは言わない。しかし僕の貴い友人でも結婚では失敗したものが相當いる。随分有望な人間がその

『そんなことはわかっていますよ』

『だがいくらわかっていても、戀してしまえばそれ迄だ。だからそれまでに俺は注意しておきたいのだ。女の遺傳とか、性格とかいうものは馬鹿に出來ない』

『よくわかりました』

『本當にわかったのか。俺は本當に心配しているのだ。茶化すのも事によるよ』

『茶化してなんかいません』

『お前はわかったと言うが、それが俺には不安心なのだ。このことはそう簡單にわかることではない』

『それでも僕にはわかっているのです』

△トロント・シンフォニー・オーケストラの常任指揮者として小澤征爾氏が三ヵ年の契約に署名したことが今週同交響楽團のフインレーソン會長より發表された。小澤氏は今年二回にわたつて同交響楽團を指揮し、すばらしい評判をかち得たこと、現常任カンダクターのオスキャンド氏が在任九ヵ年ののち歐州方面で活躍することになつて四月に辭任するからである。

米首都を訪ねて

オンタリオ 一浪人

（下）

國會議事堂の近くに大藏省、造幣局、博物館、美術館、圖書館、最高裁判所、農務、陸軍、海軍の諸省が議事堂をとり圍んでいるが吾々一行は最高法院、博物館、美術館をのぞき見しただけ。

近頃テレビに度々見えたケネディ大統領やマッカーサー元帥の國葬をした、議事堂の丸屋根の下のロタンダだけに入つて見た。上下兩院その他の各室は順番にチケットを貰わないと見られぬ。吾々の先客がロタンダに一杯いるので、あきらめて出た。

議事堂からバスで短距離の大統領官舍ホワイト・ハウスに行く。ここも人の波ラインアップは果しなく續く。裏門から入り、かぞえきれない多くの室を横目で見て通る。古式の室内調度や、何大統領のかけたイステーブルなど説明者もなくゆつくり見る暇もなく、ただ歴代大統領の油繪はアメリカ歴史を語るがに見られた。人ごみに押されながら正面玄關に出た。

午後四時過ぎから、故ケネディ大統領の新墓に參拜する。リンカーン記念館からまつすぐにポトマック河を渡ると、アーリントン墓地につき當たる。そこは米國のために護國の華と散つた兵士の墓石が整列し、見渡す限り墓石が白く並ぶ。いくらあるか墓石の番號を見ると三十三万台であつた。この墓地の北端に硫黄島記念塔もある。

吾々のバスは墓地に乘りこめないので徒歩で行かねばならなかつた。この墓地は小高い丘の東向きの斜面にあり、丘の上に有名な南北戰爭の勇將リー將軍の住宅がある。ケネディ大統領の墓地はその少し下方――墓地の入口から坂道を半マイル以上登つた所で四角に垣をめぐらした中に、大統領のお墓の盛り土があり、その上に永遠の燈火がゆらゆらと燃えている。この日も朝から團体參拜者の供えた花輪が垣内に一ぱいになつていた。吾々が參拜した時には二列の長蛇のラインアップが二筋の坂道を埋めていた。吾々一行は歸途リンカーン記念館に敬意を表してホテルに引揚げた。

翌日曜日には、一行は十一時からニューヨーク街のプレスビテリアン教會――最古で由緒ある教會の禮拜に出席した。この教會の始めは一八〇〇年、議事堂を建てるためにスコットランドから來ていた石工の六家族が大工小屋で禮拜を始めた教會が成長したもので、三十五代の大統領のうち九名がこの教會の會員であつた。時にリンカーン大統領と當時の牧師ガーレー博士とは親密な關係にあり、奴隷解放宣言の草稿の相談を受けた時の原稿も保存されている。リンカーンが暗殺された時、ホワイト・ハウスで葬儀をしたのもガーレー博士であつた。この教會にはリンカーン大統領一族の用いたピューも保存され一行の中にはリンカーン大統領にあやかり、このピューに腰かけた者もたくさんいた。

また英女王御參拜の時に使つたカーペットの上も歩いた。禮拜後に、遠來の吾吾を案内して教會のあらゆる設備を見せてくれた。

ワシントンにはどのくらい日本人がいるか聞きもらしたが、白人相手の日本料理屋が二軒ある。『トーキョー・スキヤキ』と、郊外メリーランドに『サクラ・パレス』というのがあり、みそ汁、さしみ、スキヤキなど日本食はなんでもあり日本着の姐さんが二、三人しやなりしやなりと客の間をサービスして回る。三時頃から大雨になり、五時に飛行場にかけつけた。色々な赤げつとを殘してサヨナラ。十時十分マルトンに無事歸着。『よかつたナー』は異口同音。二十九匹の老羊の寢ず番をしてくれた小宮山先生の頭に白髮が大分ふえたことと思う。

若く強く美しく

家を出るとき

『あなたあ、きょうはナベものを作つて待つてるわ。早く歸つてきてね』

妻、玄關のタタキに降りて夫のクツをそろえる。夫にこやかにクツをはく。

『じやあ、いつてくるからね。押賣りに用心するんだよ』

（カメラ、アップで）やさしい夫の顔、それにダブらせて妻のみちたりたようなやさしい笑顏。『いつてらつしやい』と妻、手をふる――夫婦生活も食い違い[illegible]せん。たまにはこんな日もあります。

妻、プリプリした顔で食器を洗う。ガチャガチャと食器の激しくふれあう音。夫、無言で洋服を着、ドタバタと足音も荒々しく玄關へ。（アップで）妻のふてくされた顔。目に涙が一滴。二滴。

玄關で夫クツをはく。クツヒモがよく結べない。夫のイライラした顔。台所で食器をガチャガチャさせる音、いつそう激しくなる。夫、ガタンと玄関のドアをあけ、バタンとしめて外へ遠くで――『くやしいーッ』という妻の聲。

ミスをさそうもの

自動車など交通機關の運轉事故は『ついうつかり』という精神的ミスが多いがその原因は家庭的トラブルつまり病氣、借金、それから夫婦げんかだといわれます。ある放送局のアナウンサーは玄關を出て、まだ夫婦げんかのあと味が殘つていたら、途中で引返し、ともかくけんかの結末をつけて出直すそうです。秒を刻む放送關係の仕事では、仕事の合間にツノをはやした奥さんの顏がチラリチラリ浮んできたのでは仕事になりません。

"秒族"でなくとも夫婦げんかを未解決のまま、妻の冷たい視線を背に出勤……では、職場についても、それが頭に引つかかつて仕事に實がはいりません。社會生活のストレスはあたたかい家庭における"いこい"で緩和されます。家庭は疲れたからだや心に休息を與え、あすへの新しいエネルギーを供給するいこいの場所。

『夫婦げんかは犬も食わぬ』といいますが、長い夫婦生活の間にはたまにはトラブルもあります。雨降つて地固まる――夫婦げんかも結構ですが、問題は夫婦げんかの仕方、まとめ方精神衛生の方法です。

□□□

ツメあとを殘すな

勇ましいけんかをしてもあとにツメあとが殘るようなのはいけません。とり返しのつかない暴言ははかないこと。『君なんかと結婚するより、あの子といつしよになればよかつた』『はじめから君よりは君の妹の方が好きだつたんだよ』そんなことをいおうものならツメあとは一生涯殘ります『わたし里に歸らしていただきます』と奥さんがむやみに實力？を行使するのもいけません。奥さんが里に歸つてしまつたために、ダンナは會社に遅れる。子ども學校に遅刻する――では夫婦げんかという私事が社會生活にまで波及してしまいます。

林學の本多靜六博士は、『夫婦げんかはジャンケンポンで決める』といつていますが、そこまで枯淡になれば夫婦げんかも又樂し。和解のきつかけ、方法はどんな方法でもよろしい。ともかく宵のうちのけんかは寢るまでに解決して"背越し"はしないこと。二日醉いと同じで翌日まで尾をひくようなけんかはいけません。朝のけんかもその場で解決して玄關でクツをはく時は、サラリとした氣持で夫を送り出したいもの。外交は國の波打ぎわで打切れといいますが、夫婦げんかも玄関で打切れ。夫婦げんかもやり方一つで生活のアクセントにもなります。しかし未解決のままだと夫は職場でストレス、妻は家庭でイライラ、交通事故やけがのもとです。

國連の確平方針 派遣軍が要請!!

サイプレス紛爭傍觀に業にやす

【國連】紛爭のたえない地中海のサイプレス島に平和維持のため駐屯している七千名の國連軍は、國連の命令でその行動はきわめて制限され、手も足も出ない有様であるのに對し、國連に『もう少し自由行動できるよう』強く要請中であったところ、確實なる筋の情報によるとウ・タント國連事務總長は國連軍に『反撃してもよい』との命令を與えたもようであるという。カナダ外務省スポークスマンは、サイプレスのゲリラの武装解除と必要なら實力を行使してそれを遂行する權限が與えられるべきだと語っている。現在のところサイプレスの國連軍はギリシャ系とトルコ系が射ち合いしていてもただ傍觀するにすぎない狀態で、とくにカナダとしては、このままの調子ではいつサイプレスに平和が到來するか見當もつかないとして、國連の強力なる方針を促がしている。

交渉は大詰へ

自主規制　日本の強腰にカナダが折れて

【東京時事通信】カナダとの自主規制交渉はカナダが第三次提案を寄せてきたことにより、大詰めに近づいた。第三次提案により、カナダは合板の規制撤廃に同意、また繊維二次製品はほぼ昨年並みの線で合意に達した。問題として残されているのはスフ織物、人絹織物、洋食器の一部、および毛織物などカナダが新規に自主規制品目に追加すべきだと要求しているものの処理だが、カナダ側は公式にはまだ要求を撤回していないものの毛織物を除き、ほかは要求を取り下げてもよいとの意向を示している。このため政府はカナダ政府の代表を招き、東京で直接交渉には入り、一氣に妥結に持ち込みたい考えで、カナダ政府の意向を打診している。

オタワでスパイ活動した廉で

【オタワ】ソ連政府の機關紙『イズベスチア』のオタワ特派員バセリ・バセリエビッチ・タラソフ氏（三六）はスパイ活動をしたかどで今週カナダ退去を命じられた。タラソフ氏はオタワ特派員として二年間、議會詰記者となっていたものだが、カナダの産業的工程に關する秘密を入手しようとして、その方面に關係のあるカナダ公務員に接近、大金をオファして情報入手を企てていることがわかり、マウンテーにより極秘裡に調査されていたところ確證があがったので、同氏の即刻國外退去を要求したことがマーチン外相により議會で發表された。その后判明したところによると在オタワ・ソ連大使館はタラソフ記者は今週中にソ連に引揚げることになっており、同氏夫人や子供たちも同伴することになっているという。

Japanese Women Now "Legal Minded" Says Yomiura News

TOKYO. — Japanese women of today are more legalminded than their pre-war sisters in solving family problems involving a better social status for women.

That, at any rate, is the conclusion reached at a recent round-table discussion by seven women who answered queries sent in by women readers of a newspaper. The discussion was held to mark the 50th anniversary of the "lonely hearts column" of the Yomiuri Shimbun, a Japanese national daily newspaper.

In the early days of the column, they said, the letters were full of complaints about the hard and miserable lives women were forced to lead under the "tyranny of despotic husbands."

Answers have also changed in character since pre-war days.

At first, in days when women had little chance of earning their own living, the letters were answered simply with words of encouragement. The writers were urged to bear up and carry on—since they had no chance of doing otherwise.

Typical Japan Lady Myth Disproved

CHICAGO. — The belief that the Japanese woman is obedient, demure, timid, passive, piteous, servile becomes a myth in the case of Mrs. Hisako Shiotani.

She's petite and proper. But she is a business woman also. A mother of two teen-age children, Mrs. Shiotani does not look more than 35-years old. She says she's 45.

She has spent the last 25 years doing what has become a part of her, managing a gigantic hotel in the scenic Japanese resort town of Atami.

Her second hotel in Atami—60 miles from Tokyo — opened to the public the first of May. This one is the largest resort hotel in Japan. It has 13 stories and accommodates 1100 persons.

The dark-haired Japanese woman, in the United States to promote tourism for her hotels, is full of energy, confidence and ideas on how she can become even more successful.

Mrs. Shiotani said it's unusual for a Japanese woman to have a career, especially in hotel management.

Her success story goes back another generation. Her mother used to own and run four "ryotels," the Japanese version of American boarding houses. About 15 years ago, Mrs. Shiotani decided to build a hotel. She sold the small inns and aimed for higher horizons.

Her son, 18, is studying economics in Tokyo. She hopes he will follow her foot-steps.

"He will attend Cornell University after he graduates," she said.

"Orient Day" At B.C. International Trade Fair

VANCOUVER. — The people of the Orient will be honored May 15 with a special "Salute to the Orient Day" at the B.C. International Trade Fair, due to be held at Vancouver's PNE grounds, May 13 to 23.

Highlighting a day of special breakfasts and lunches for visiting dignitaries and overseas buyers will be a fireworks display, due to begin at 10 p.m. at the PNE grounds.

The $10 million B.C. International Trade Fair, biggest of its kind west of New York this year, will feature products of more than 40 nations including Japan and the Republic of China.

The catalogue of exhibits at the B.C. Trade Fair reads like an Arab bazaar. Thousands of items will be on display ranging from a genuine U.S. missile to a battery operated power mower, from complex machinery to household appliances and from automobiles to kiddies toys.

A total of more than 64,000 square feet has been taken in five PNE buildings by exhibitors from Canada and overseas. Biggest displays will be those of Japan, with 4,800 square feet, and West Germany, with 4,000 square feet.

The many products are designed to appeal to the industrialist, businessman, home-owner, housewife, father and even junior. As in previous years, a nightly International Fashion Show (starting at 7:30 p.m.) will be a highlight for the ladies.

Among the countries exhibiting will be Bulgaria, Belgium, New Zealand, India, France, the United Kingdom, Australia, the Netherlands, Italy, Japan, the Republic of China, Canada and West Germany.

Between 8,000 and 10,000 official buyers are expected to visit the fair in addition to a public attendance in excess of 150,000.

Hajime Shiga Speaks At Credit Union Meeting

TORONTO. — Stressing the vital role of the credit union movement and its rapid growth in Ontario and Canada, Mr. Hajime Shiga, representing the Ontario Credit Union League, also praised the excellent progress of the Japanese Canadian (Toronto) Credit Union. He made these comments at the 8th Annual J.C. (Toronto) Credit Union general meeting on April 26th held at the Continental Co-op.

The following reports were received and adopted at the meeting chaired by Mr. John Sugai, President: The Board of Director Secretary-Tresurer's report by I. Uchida, Credit Committee report by T. Kameoka, and Supervisory Committee report by George Kadota.

Reports showed that the members' shares reached $74,484.49 as of the end of Feb., 1964 (end of last fiscal year). The amount of loans made out to 51 members for 1963-1964 was $61,704.86 for such purposes as payments for houses, cars, renovation, doctor's bills, repayment of loans, and travel expenses.

The financial statement revealed that the year's income was $6,239.00 against an expense of $2,885.89 leaving a net income for $3,353.11. With the last fiscal year's balance of $148.68 this brought the total amount to $3,541.79. This was disposed as follows: $670.15 as guarantee funds (by regulations); $100.00 for education fund; and $2,468.53 (3½ %) for dividends to the members. This left a balance of $299.11 for next year.

All officers, whose terms had expired, were returned on the Board of Directors. Out of the 7 Board of Directors, John Sugai, Reg Higuchi and U. Nakashima were re-elected on the Credit Committee. George Kadota was elected to the Supervisory Committee.

Mr. I. Uchida, who had served as Secretary-Treasurer (and his wife as assistant) since the inception of the Union, resigned and Mr. San Ariza was named as successor. The meeting offered heartfelt thanks to Mr. and Mrs. I. Uchida for their many years of faithful service.

'Magnum Opus' Japan Films

TOKYO. — Japanese movie companies have recently switched to the "magnum opus" policy to counter 70-mm. widescope American films, such as "West Side Story" and "Lawrence of Arabia," which have proved box-office hits in this country.

Currently in production are as many as four large-scale movies —"Koge" (Incense and Flowers) of the Shochiku Co., "Akahige" (Red Beard) of the Toho Co., "Kwaidan" (Ghost Story), a joint production of Toho and the Ninjin Production, and "Same" (Shark) of the Toei Co. Thus the most intensive "magnum opus" race in recent years is under way in the Japanese movie industry.

"Akahige" is being shot by the world-famous director Akira Kurosawa, while the director of "Kwaidan" is Masaki Kobayashi, whose "Harakiri" won the Special Jury Prize at the 1963 Cannes Film Festival. "Same" features Japan's leading actor Kinnosuke Nakamura, who appeared in "Bushido — A Story of Cruelty," winner of the Grand Prize at last year's Berlin Film Festival. Of the four, the first to be completed is Shochiku's "Koge," which will be released in mid-May. This picture, starring a glittering array of leading actresses, is now the talk of the filmdom.

"Koge"

In Koge, Shochiku's No. 1 star Miss Mariko Okada is assisted by a number of Japan's representative actresses, such as Nobuko Otowa, Kinuyo Tanaka and Kaneko Iwasaki. It is directed by Keisuke Kinoshita, whose "Twenty-Four Eyes" — a story of a devoted female teacher — captured the hearts of Japanese movie audiences after the war. The film also stands out as a story of geisha — a rarity in the postwar movie world of this country, although "Fujiyama, Cherry Blossoms and Geisha" constitute the typical image of Japan for foreigners, who do not know modern Japan. It is a story of a mother, who is a oiran (courtesan), and a daughter, who becomes a geisha, based on the novel of the same title by the popular writer, Miss Sawako Ariyoshi.

The story goes like this: In the early Taisho Era, a mother and daughter lived quietly in Shizuoka. At the age of 17, the beautiful daughter comes to Tokyo and becomes a first rate geisha. She yearns for a normal married life, but cannot shake off the fetters of a geisha. The story ends when she reaches the age of 63 in 1964. The mother is played by Miss Otowa, the leading actress of "Island" which won high acclaim abroad, and the daughter by Miss Okada.

Miss Okada, 30, is displaying an unusual enthusiasm about her part in this film. She was engaged to a young movie director last November, but postponed the wedding to devote herself to Koge. For the Japanese of today, the world of Koge seems rather out of the ordinary, but Director Kinoshita intends to portray the strength of Japanese womanhood, which never withers even in the worst environment.

Geisha Quarters

It is seven months since the shooting of Koge got under way last October. This is quite unusual in Japanese filmdom where even feature-length movies are completed in about six weeks. The huge production cost of Koge is also attracting attention. For instance as much as 10 million yen (about $28,000) has been spent in building an open set of the Akasaka geisha quarters in the compound of Shochiku' Ofuna Studio. In addition, large-scale open sets of other gay quarters — Tokyo's Yoshiwara of the Meiji Era and Shizuoka's geisha quarters of the Taisho Era — have been elaborately constructed to revive the exact atmosphere of the geisha quarters, which once thrived in this country.

Last year, Japan's movie exports showed an increase of 10 per cent over the previous year, since a number of Japanese films proved box-office hits abroad. Among them were Toho's "Yojimbo" (bodyguard), directed by Kurosawa, Shochiku's "Harakiri" by Masaki Kobayashi and Toei's "Bushido — A Story of Cruelty" by Tadashi Imai. Japanese movie companies, therefore, are eager to cultivate their overseas markets further by exporting "magnum opus" films, including "Koge." They are hopeful of earning enough abroad to offset their huge production costs.

Japan Kabuki Actors Salute The Bard Of Avon

By Henry W. Koller

TOKYO. — The greatest success of the current theatrical season has been a production of "Richard III." In this Shakespearean anniversary year this might not be so surprising, but what made the production unique is that for the first time in Japanese history Kabuki actors have played the leading roles in a classical European play.

Kanzaburo Nakamura, who has been noted as a Kabuki actor for many years, has for the first time undertaken to play in a foreign work, and he does a splendid job in the title part.

Since Kabuki theatre can more easily be compared to Western-style opera than to straight drama, Mr. Nakamura had to forget most of his techniques, acquired through 48 years of study and practice, and immerse himself in the entirely different form of European classical drama. Only the mastery of body movements and voice control stood him in good stead.

Where Kabuki drama, however, emphasizes an unrealistic manner of speech and movements of high symbolic content, Shakespeare makes entirely different demands.

The actor was greatly helped by the continuous advice of the director, Tsuneari Fukuda, who had also translated the play. It has never previously been presented in Japan.

Following directions on stage must also have been a novel experience for Mr. Nakamura. Kabuki is an actors' theatre, where all details have long since been established. The perfection with which an actor can accomplish impersonations, movements, gestures, laid down hundreds of years ago, decides the success of each performance. Individual interpretations are not desired and appreciated. The task of the Kabuki director is merely to see that new productions achieve the same degree of perfection as those of the past.

Another new experience for the Kabuki actors was the presence of actresses, such as Shizue Natsukawa who played Elizabeth and Haruko Kato who played Anne. While there are also Kabuki actresses in Japan, they never appear together with their male colleagues. Companies consist either of actors or actresses.

Though originally there was some doubt that Japanese audiences would accept the appearance of their favorite in a Western-style play, the success of the presentation has been exceptional.

In general, all European plays are considered "modern" by the conservative audiences who usually attend Kabuki performances At the presentations of modern plays, audiences are generally youthful. In this instance, representatives of both groups of playgoers could be found, with a liberal sprinkling of foreigners resident in Japan.

This has not been the first time that Kabuki actors performed in a Western-style play. "Cyrano de Bergerac" has been done with Shoroku Onoe in 1960, and is being repeated this season; and "Teahouse of the August Moon enjoyed a brief run with a company of Japanese and foreign actors a few years ago.

Shakespeare has also been represented on Japanese stages before, but this is the first time that actors of the classical Kabuki theatre have undertaken the portrayal of Shakespearean roles. It may be assumed that it will not be the last time.

Longest Undersea Tunnel In World

YOSHIKA. — Ground breaking ceremonies were held here recently for a 27-mile undersea tunnel which will link Japan's main island of Honshu with the northern island of Hokkaido.

Scheduled for completion in 1971, it would be the longest undersea tunnel in the world.

It will link the village of Yoshika on the southern tip of Hokkaido with Tappi village on the northern extremity of Honshu.

Travel between Hokkaido and Honshu currently is carried on by ferry boat and takes five hours.

Dead Japan Vets To Be Honoured

TOKYO. — Two million Japanese officers, servicemen and civilians who died in the Pacific war serving in the former Imperial Japanese armed forces, will soon be honored with posthumous decorations.

Prime minister Hayato Ikeda's government will begin conferring the decorations over a period of five years. The first group of about 10,000 are to be honored sometime this month.

The decorations will consist of three categories: The Order of the Rising Sun, the Order of the Sacred Treasure, and the order of the Sacred Crown.

Government sources said an average of 29,000 war dead will be honored each month this year. Thirty thousand to 40,000 will be conferred monthly thereafter.

Sources also noted that Class A war criminals, such as wartime prime minister Hideki Tojo, will be excluded from the honor list.

Conductor . . . . .

(Continued from Page One)

programming in recent seasons can only keep our fingers crossed. The two programs presented by Mr. Ozawa this season and the two pairs planned for next season's subscription series give no indication that the new conductor will prove either daring or imaginative in this respect. We can only hope his choice of music has been dictated by the planning of the rest of the season.

According to Mr. Finlayson, the choice was made after a great deal of research and study of the musical scene by members of the TSO Association, with the assistance of outside advisers. When he refused to answer a question concerning the musical status of these outside advisers, one could only infer that, as usual, our businessmen-directors were again following practices they would outlaw in their business dealings.

And, of course, they made no efforts to discuss the problems with members of the orchestra, whose reaction will be the most vital in the long run. The union received part of the blame. Someone should be appointed as liaison officer.

Another Japanese "Boomu": Pipe Smoking

OSAKA. — Japanese love to smoke cigarettes but not at the risk of getting lung cancer. So they are turning to pipe smoking.

The results is they have caused a "run" on pipe tobacco and its stocks have been depleted, an official of the Osaka bureau of the Tobacco Monopoly Corp. said recently.

...come under the Osaka bureau jurisdiction, the official said.

This figure rose to 3,500,000 in February and to 4,230,000 in March, a rate so fast that production simply could not catch up with demand.

Pipe tobacco had not been in too great a demand in the past and there has been only one
